Dept. of Education, Habraghat Mahavidyalaya, Krishnai, Goalpara, Assam

in association with

GEOID FORUM, Goalpara, Assam

Date: 23rd August, 2020 Time: 3.30 P.M.

Platform: Zoom

Introduction:

The Department of Education at Habraghat Mahavidyalaya, in collaboration with GEOID FORUM, organized a National Webinar on the National Education Policy (NEP) 2020, focusing on the opportunities and challenges in higher education. This virtual event aimed to provide a platform for educators, policymakers, and students to discuss the transformative aspects of NEP 2020 and its potential impact on the higher education landscape in India.

Key Objectives:

1. To understand the key provisions and reforms introduced by NEP 2020.
2. To explore the opportunities that NEP 2020 presents for higher education institutions.
3. To identify and discuss the challenges in implementing NEP 2020 in higher education.
4. To share best practices and strategies for effective implementation of the policy.

Inaugural Session: The webinar began with an inaugural session featuring welcome addresses by the principal of Habraghat Mahavidyalaya and the president of GEOID FORUM. They emphasized the significance of NEP 2020.

Keynote Address: The keynote address was delivered by Dr. Balendra Kr. Das, a renowned academician from the University of science and Technology, Meghalaya. Dr. Das focused on issues and challenges of NEP 2020.

Programme Outcome:

The National Webinar on National Education Policy-2020, focusing on Higher Education, aimed to explore the opportunities and challenges presented by the policy. The webinar brought together educators, policymakers, and stakeholders to discuss the implications and strategic approaches to implementing the policy effectively.

Key Outcomes:

1. Understanding NEP 2020:

- Participants gained a comprehensive understanding of the key components and objectives of the National Education Policy 2020, particularly its focus on higher education reforms.
- Discussions highlighted the policy's vision to transform the education system by making it more holistic, flexible, multidisciplinary, aligned with the needs of the 21st century, and aimed at bringing out the unique capabilities of each student.

2. Opportunities Presented by NEP 2020:

- The policy's emphasis on a multidisciplinary approach and flexibility in course selection was recognized as a significant opportunity for fostering a more well-rounded and innovative student body.
- Increased focus on research and innovation, establishment of National Research Foundation (NRF), and integration of technology in education were seen as pivotal steps toward making Indian higher education globally competitive.
- Emphasis on skill development and vocational training was appreciated as a means to improve employability and prepare students for a rapidly evolving job market.

3. Challenges in Implementation:

- Participants identified challenges such as the need for infrastructure development, capacity building of educators, and alignment of current curricula with NEP 2020 objectives.

Coordinator
QAC, Habraghat Mahavidyalaya

Principal

- Financial constraints and the requirement for substantial investment in the education sector were discussed as potential hurdles.
- The need for a robust mechanism to monitor and evaluate the implementation process was emphasized to ensure the policy's objectives are met effectively.

4. Strategic Approaches for Effective Implementation:

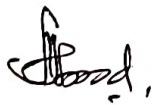

- Suggestions for fostering collaboration between educational institutions, industry, and government to create a supportive ecosystem for the NEP 2020.
- Importance of teacher training and professional development programs to equip educators with the necessary skills and knowledge to adapt to the new education paradigm.
- Adoption of technology-driven solutions and digital learning platforms to enhance the teaching-learning process and reach a broader audience.

5. Policy Recommendations:

- Recommendations for policy revisions and updates based on feedback from ground-level implementation experiences.
- Advocacy for inclusive education policies that address the needs of diverse student populations, including those from marginalized communities.
- Encouragement of public-private partnerships to leverage resources and expertise for the advancement of higher education.

Conclusion:

The National Webinar on NEP 2020 provided a platform for meaningful dialogue on the future of higher education in India. The discussions underscored the transformative potential of the policy while acknowledging the need for collaborative efforts and strategic planning to overcome challenges. The insights and recommendations generated from the webinar are expected to guide stakeholders in effectively implementing the NEP 2020, ultimately contributing to the creation of a more dynamic and inclusive higher education system in India.
